

# SmartLift

A.I.-Augmented Control Systems

for Artificial Lift Systems

PCP, ESP, LRP

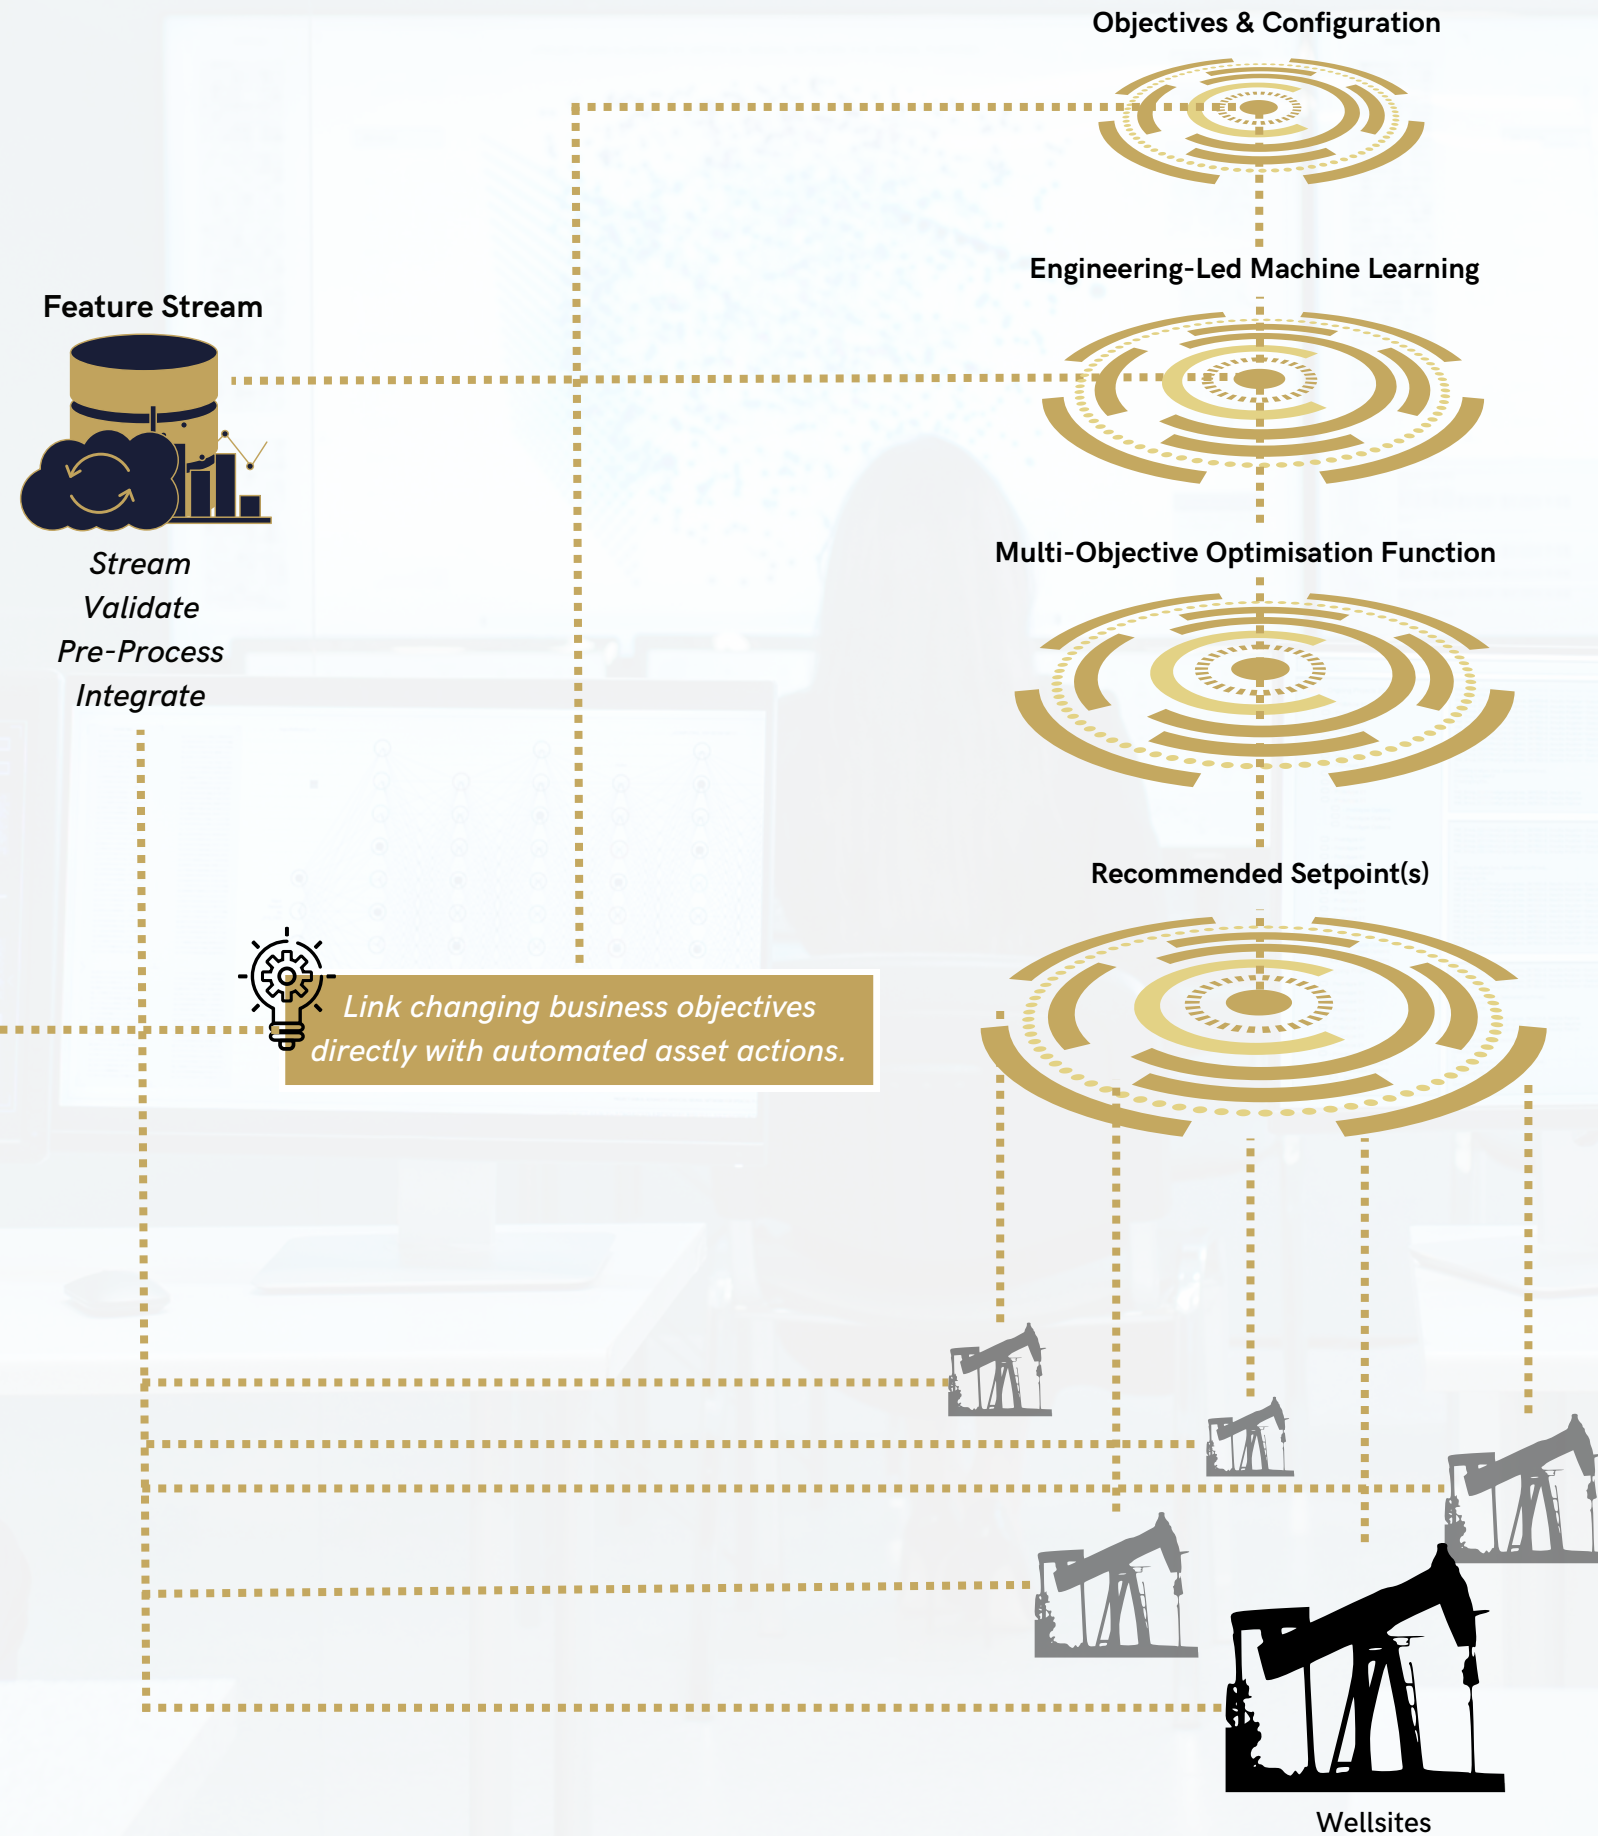

A.I.-Augmented supervisory control layer for multivariable optimisation of well networks under dynamic constraints.

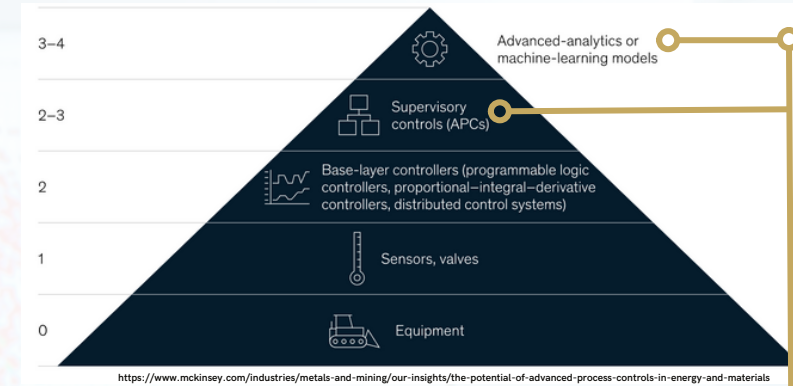

## Objectives

- ↑ PRODUCTION
- ↑ RELIABILITY
- ↓ EMISSIONS

## artificial lift meets artificial intelligence.

## Advanced Process Control (ISA-95)

## Supervisory Control

Edge | Cloud

## Base Level Control

RTU / PLC

## Sensors

Pressure Transmitters | Flow Meters

## Wellsites

Artificial Lift Systems Installed

Smarter Assets. Simpler operations.
